Olympus Jr. High School Chromebook Loaner Agreement

In addition to the provisions of the EUSD Student-Technology Acceptable Use Agreement, the following items apply to students participating in the Olympus Jr. High School Chromebook Checkout Program.

1. Students will bring their Chromebook to school each morning with the battery fully charged.
 2. Students will transport their Chromebook to and from school securely.
 3. Parents/Guardians will provide a secure place for students to use and store the Chromebook at home.
 4. Students will keep their Chromebook clean. No attached stickers (which leave residue) or other items that might deface or damage the Chromebook in any way.
 5. No attempts will be made to modify, reconfigure, take apart, or repair the Chromebook.
 6. Students will use their school-issued Chromebook for academic purposes only.
 7. Students will only use the EUSD wireless network connections at school. While at school, students will not connect to any cellular network or non-district wireless access points.
 8. Similar to textbooks, in the event of loss or damage, parents may be billed for the actual cost of repair up to the full replacement cost of the Chromebook (not to exceed \$250).
 9. If your child's Chromebook is lost, stolen, or damaged, please notify the Principal as soon as possible. The district may attempt to find it or permanently disable it.
 10. The Chromebook is enrolled in the Eureka Union School District's Device Management system and will be monitored. It can be examined at any time by Olympus Jr. High School staff.
- By signing this form, my child and I agree to abide by the Olympus Jr. High School Chromebook Loaner Agreement, and I assume financial responsibility for the Chromebook for the duration of the program (Last Day of School).
 - I also understand that it is impossible for the Eureka Union School District to restrict access to all controversial or inappropriate materials while using wireless networks outside of the school. I will not hold the district responsible for materials acquired outside of the school setting.
